AMENDMENT

The Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Responsive to the official action of April 11, 2000, please amend as follows:

In The Claims

Please amend Claim 1 as follows:

Claim 1 (amended)

1
a
A method for providing an immune response in a mammal that is specific to an antigen to a non-enteric pathogen [antigen] (NEPA) , the pathogen being a pathogen that invades through a breach in the skin and that does not raise a protective enteric immune response in mammals free of acquired immunity to the pathogen in the absence of an oral adjuvant, [in an animal made immunoreceptive to the NEPA,] said method comprising [by] feeding the [immunoreceptive
